

Weber Farms 2012 CSA Member Contract

The CSA is a commitment between the farm and shareholder. The farm involved is committed to providing the highest quality food they can to the shareholder in a consistent manner. The shareholder realizes that natural conditions of weather may influence the availability of some crops in any given year. The shareholder agrees to make all payments on time and to consistently pick up the weekly share. The shareholder also agrees to fulfill volunteer obligations, if applicable.

We will do everything possible to provide a weekly container of fresh, nutritious, healthful, chemical-free foods to all share holders.

Your commitment to us is that you will arrive at scheduled delivery or pick-up points on time. This is to insure freshness and high-nutritional content of the vegetables, which are often harvested the day of delivery. Should you have to miss a pick-up, we cannot guarantee the availability or freshness of make-up containers, which you will have to schedule to pick up at the farm. If you give us at least a week's notice before a missed pick-up, you can make alternate arrangements, so someone else can pick up your container at the farm.

For immediate communication, such as missing pick-ups, etc., Call 859.485.2833 and leave a voice message or email us at farmsales@weber-farms.com.

Share size requested (Fill only one circle):

- Half - \$350 (that's only \$20 per week for produce or 2 adults)
- Full - \$600 (that's only \$30 per week for produce for a family of 4)
